  That the Rule 60G “No person shall be eligible to be elected to the office of President beyond a third (3rd) consecutive term” be removed from the Griffith Golf Club Rules.
  Moved: John Dalton
  Seconded: Craig Barrington
• Election of Directors
• Appointment of Auditors
• Honorariums
• General Business

Wayne Moat
Secretary/Manager
I’m pleased to report that 2019 was a year of consolidation, with the Board continuing to be positive and constructive in the decisions and directions we have taken over the past year. Encouraging ground has been made towards uniting the Vets & Ladies committees to work with the Board to create a stronger and highly efficient leadership group that will re-structure our direction through a more defined and achievable Strategic Plan.

Membership of the Club remains solid and continues to improve with now over 50 Junior members.

The 2019 Financial Year ended with a loss of $79,738, however the underlying position was a loss of $21,466 when depreciation is removed. Our Treasurer, Geoffrey Smith, will explain the accounts in greater detail.

If we take into account the investments that the Club has made this year, the result is an encouraging indication of the Clubs performance.

Investments included the purchase of a second hand Verdidrill ($6,000); the engagement of a professional Grant’s writer for the Golf Course Watering System ($6,000); lease repayments for the new Toro7000D mower ($6,550); the purchase of eleven new sign frames and signage ($7,350).

Unfortunately, a Poker Machine payout of $12,000 at Christmas soured the finish to our Financial Year.

The Board is confident of the Clubs future. We will continue to invest in the future of our Club and expect the improving financial trend to continue in 2020.

I thank Michael Hedditch and Tony McBride for their diligent contribution, attention and the many hours they have volunteered in preparing applications for various Government Grants on behalf of the Club

Members would have observed that the Club has secured 23 new Sponsors for our Course Signs.

This will redeem an extra $11,500 in revenue in 2020. Sponsor support is strong, and we intend to erect a further eleven signs around the Course to accommodate continuing demand.

Sponsors have also been secured for the ‘Nearest to the Pin’ on all Par 3 holes for Saturday Monthly Medal events and $500 Vouchers are now up for grabs for a “Hole in One” on competition days, thanks to Tallented Tyres.

Sponsor were also forthcoming, supporting our first ever Corporate Day in November with 24 sponsored teams competing on the day. This was a positive and rewarding outcome for the Club and I congratulate Brett Jones for driving this event.

I applaud the Vets committee on their continued success in hosting the Vets Week of Golf. This event has now secured its own reputation and continues to be extremely popular and rewarding for the Club. This year the event was complimented with a Pasta night at the Club on the Wednesday night and this was very well received by our visitors and members.

A huge thank you to our Vets who continue to support the Club with funds for the replacement of sprinkler heads and for their initiative in instigating improvements to the course which this year saw the removal of the trees at the Pro-Shop and concreting of the Pro- Shop area and of the Machinery shed. A special thanks to John Brennick for his
leadership in both these projects.

We thank both the Vet’s and the Ladies groups for their financial contributions towards the cost of the concrete for these projects.

Thanks to Chris Lanza and the team at Yoogali Engineering who have generously supplied and erected the new awning adjacent the Pro-Shop and to Albert Donadel and the boys from Yoogali Concrete, along with Craig Barrington and his team, for preparing for and laying the concrete.

The Club also hosted our first ever Foodies Market in November which attracted over 3800 people.

Members would have noticed the numerous improvements on the Course including new Garbage Bins, courtesy of Brad Hardwick.

Improvements do not happen without the dedicated effort of the solid group of volunteers and members that the Club is fortunate to have who unselfishly give their time to care for our wonderful Golf Course.

I wish to thank our Secretary/Manager, Wayne Moat, for his support, dedication and tireless commitment in his role. Wayne is a very loyal and committed manager who spends countless unnoticed hours working behind the scene in all areas of the club.

Once again, I acknowledge and congratulate our Course Superintendent Jason Magoci and his support, Mat Hallam, for continuing to present Griffith with a spectacular Golf Course irrespective of the tough climatic conditions our region has had to endure.

Thank you to Kristie in the Bar and to our Professional, James Lethlean, for their commitment and support given to Wayne in helping with golf club events, functions and promoting the Club. James has embraced junior members coaching clinics which has inspired Junior membership.

John Bortolazzo, continues his dedicated support for the Griffith Golf Club through his articles in the Area News and on our local FM radio station, 2MIA. I thank him for his continued enthusiasm.

To our Lady Golfers and Vets committees and the solid core of passionate volunteers that give their time to help around the course and with special events. A huge Thank You. Without your ongoing support and commitment, it would not be possible to stage these successful events On behalf of the Board of Directors and our members, I humbly thank all our sponsors for their commitment in supporting the Griffith Golf Club. Without this continued support we cannot go forward. It is very much acknowledged and appreciated.

Finally, I wish to thank my fellow directors who have been diligent and committed in their roles in striving to drive the Club forward. In particular, I thank those directors that have gone beyond their roles to achieve for the Club. Great work team.

I would like to close with a plea to members to become more involved in the Club by offering your expertise, be it management, marketing, technology, social media or sponsorship though Course Signage or a Saturday competition event. Your support is welcome and appreciated.

Thank You

Robin Salvestro
(President)
Treasurer’s Report 2020

President Robin, fellow board members, members, and staff.
I present to you my Treasurer’s Report for the year ended 31/12/2019.
1) Matter arising from the Annual General Meeting held 2019.
Revaluation of our Land and Club premises. Local firm MIA Valuers were engaged and provided us with a currently dated (26/09/2019) Certificate of Valuation. Our Balance sheet has been amended accordingly.
2) Banking Facilities.
a) Westpac Bank holds a 1st Registered Mortgage over the Clubhouse and the parcel of land on which it sits which is used to secure 2 overdraft facility limits: -
b) $20,000-00 on what is known as the Club Bank Account. This facility was put in place in November 2000.
c) $50,000-00 on what is known as the Pro Shop Bank Account. This facility was put in place in March 2016 at / or about the time the Club took back control of the Pro-Shop.
3) Equipment Leases / loans for the club Ute, golf carts and course machinery.
Have all operated within agreed arrangements and are current at the date of this report.
4) Trade Creditors
Concerted efforts have continued to keep our Trade Creditor Ageing within 60 days.
5) Accrued Holiday Leave (AHL) entitlements.
As at 31/12/2019 our 5 staff had 961.03 hours of holiday leave accrued being a slight improvement on last year. The bulk of this is for Wayne who has 456.04 hours accrued. Our aim remains to reduce accrued hours to 800 hours or less within the next 12 months.
6) The Balance Sheet
a) Total Assets equal $1,830,861 and Total Liabilities equal $370,675-00 resulting in a net asset position (i.e.: - surplus of assets over liabilities) of $1,460,186-00.
b) The surplus has increased significantly over last year due mainly to the re-valuation of the Club’s land and buildings.
c) Current Assets equal $60,330-00 and Current Liabilities equal $266,131-00 resulting in an EXCESS of current liabilities over current assets of $205,081-00. Applied effort will continue to reduce the excess by reducing our trade creditors (ageing) and our staff Accrued Holiday Leave entitlements.
7) The Profit and Loss
Our Club continues to trade at a loss and this year was no different with an Operating Loss of $79,738-00 recorded for the 12 months to 31/12/2019.
Note that after deduction of income item “profit on sale of non-current assets” this result was just $18,535-00 worse than last year.
## Special Items of Expenditure – Verdi Drain; Irrigation Grant Application; Course Signs; Lease Payments; Poker machine Payout.
I wish to thank all members , our staff led by the dedicated Wayne Moat, the small but growing band of regular volunteers, the Veteran Golfers and Lady Golfers for their support
and donations and lastly our active Board of Directors led enthusiastically by President - Robin Salvestro.
In closing I thank all members for the honor and privilege to have been your Club Treasurer for this last year.

Geoffrey Smith
Treasurer

PRINCIPAL ACTIVITIES
The principal activities of the co-operative during the course of the year were Golf Course and Club Rooms. In 2016 the Club also commenced operating the Pro Shop.

SIGNIFICANT CHANGE IN STATE OF AFFAIRS
No significant change in the nature of these activities occurred during the financial year.

AFTER BALANCE DATE EVENTS
No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the co-operative, the results of those operations, or the state of affairs of the co-operative in future financial years.

FUTURE DEVELOPMENTS AND RESULTS
The Board is in the process of applying for government grants to upgrade the watering system and refurbish the Clubhouse.

ENVIRONMENTAL ISSUES
The co-operative's operations are not regulated by any significant environmental regulation under the law of the Commonwealth or of the State.

OPTIONS
No options over issued shares or interests in the co-operative were granted during or since the end of the financial year and there were no options outstanding at the date of this report.

DIRECTORS' BENEFITS
No director has received or has become entitled to receive, during or since the financial year, a benefit because of a contract made by the co-operative or related body corporate with a director, a firm which a director is a member or an entity in which a director has a substantial financial interest.

This statement excludes a benefit included in the aggregate amount of emoluments received or due and receivable by directors shown in the co-operative's accounts, or the fixed salary of a full-time employee of the co-operative or related body corporate.

INDEMNIFYING OFFICER OR AUDITOR
No indemnities have been given or agreed to be given or insurance premiums paid or agreed to be paid, during or since the end of the financial year, to any person who is or has been an officer auditor of the company.

PROCEEDINGS ON BEHALF OF CO-OPERATIVE
No person has applied for leave of Court to bring proceedings on behalf of the co-operative or intervene in any proceedings to which the co-operative is a party for the purpose of taking responsibility on behalf of the co-operative for all or any part of those proceedings. The co-operative was not a party to any such proceedings during the year.

Directors' Declaration
For the Year Ended 31 December 2019

In accordance with a resolution of the directors of Griffith Golf Club Co-Operative Society, the directors declare that:

1. The financial statements and notes, as set out in pages 10 to 24 are in accordance with the Corporations Act 2001 and:
   
   (a) comply with Accounting Standards and the Co-operatives (Adoption of National Law) Act 2012 and the Co-operatives National Regulations; and
   
   (b) give a true and fair view of the financial position as at 31 December 2019 and of the performance for the year ended on that date in accordance with the accounting policies described in Note 1 to the financial statements.

2. In the directors' opinion there are reasonable grounds to believe that the co-operative will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

AUDITOR'S INDEPENDENCE DECLARATION UNDER
SECTION 307C OF THE CORPORATIONS ACT 2001

TO THE DIRECTORS OF
GRIFFITH GOLF CLUB CO-OPERATIVE SOCIETY

I declare that, to the best of my knowledge and belief, during the year ended 31 December 2019 there have been no contraventions of:

(i) the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; and

(ii) any applicable code of professional conduct in relation to the audit.

Dated at Griffith this 15 day of May 2020
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
GRIFFITH GOLF CLUB CO-OPERATIVE SOCIETY

ABN 93 423 499 875

Opinion
I have audited the financial report of Griffith Golf Club Co-operative Society (the co-operative), which comprises the statement of financial position as at 31 December 2019, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors’ declaration.

In my opinion, the accompanying financial report of Griffith Golf Club Co-operative Society is in accordance with the Corporations Act 2001, including:
(i) giving a true and fair view of the co-operative’s financial position as at 31 December 2019 and of its financial performance for the year then ended; and
(ii) complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for Opinion
I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Report section of my report. I am independent of the co-operative in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board’s APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the

I confirm that the independence declaration required by the Corporations Act 2001 which has been given to the directors of Griffith Golf Club Co-operative Society, would be in the same terms if given to the directors as at the time of this auditor’s report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter
I draw attention to the statement of financial position which indicates current liabilities exceed current assets by $205,801. This is a concern as the cash position is non-existent with the only cash available being that in the long service leave term deposit. The co-operative needs to arrange facilities with the bank to meet short-term liabilities and/or arrangements with suppliers. An alternative is to sell further water entitlements to fund short term liabilities. If losses continue, I have doubt about the entity's ability to continue as a going concern.
INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
GRIFFITH GOLF CLUB CO-OPERATIVE SOCIETY

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information comprises the
information included in the co-operative's annual report for the year ended 31 December 2019,
but does not include the financial report and my auditor's report thereon. My opinion on the
financial report does not cover the other information and accordingly I do not express any form of
assurance conclusion thereon. In connection with my audit of the financial report, my
responsibility is to read the other information and, in doing so, consider whether the other
information is materially inconsistent with the financial report or our knowledge obtained in the
audit or otherwise appears to be materially misstated. If, based on the work I have performed, I
conclude that there is a material misstatement of this other information, I am required to report
that fact. I have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the co-operative are responsible for the preparation of the financial report that
gives a true and fair view in accordance with Australian Accounting Standards and the
Corporations Act 2001 and for such internal control as the directors determine is necessary to
enable the preparation of the financial report that gives a true and fair view and is free from
material misstatement whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the co-operative's
ability to continue as a going concern, disclosing, as applicable, matters relating to going concern
and using the going concern basis of accounting unless the directors either intend to liquidate the
co-operative or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole
is free from material misstatement, whether due to fraud or error, and to issue an auditor's report
that includes my opinion. Reasonable assurance is a high level of assurance, but is not a
guarantee that an audit conducted in accordance with Australian Auditing Standards will always
detect a material misstatement when it exists. Misstatements can arise from fraud or error and
are considered material if, individually or in the aggregate, they could reasonably be expected to
influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional
judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to
  fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not
detecting a material misstatement resulting from fraud is higher than for one resulting from error,
as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
of internal control.
INDEPENDENT AUDITOR’S REPORT TO THE MEMBERS OF
GRIFFITH GOLF CLUB CO-OPERATIVE SOCIETY

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the co-operative’s internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Conclude on the appropriateness of the directors’ use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the co-operative’s ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor’s report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor’s report. However, future events or conditions may cause the co-operative to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the co-operative to express an opinion on the financial report. I am responsible for the direction, supervision and performance of the audit. I remain solely responsible for my audit opinion.

I communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that I identify during my audit.

The accompanying notes form part of these financial statements.
The financial statements cover Griffith Golf Club Co-Operative Society as an individual entity, incorporated and domiciled in Australia. Griffith Golf Club Co-Operative Society is a company limited by guarantee.

The financial statements were authorised for issue on ……………………….2020 by the directors of the company.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation
These general purpose financial statements have been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Corporations Act 2001. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

Accounting Policies
(a) Revenue
Revenue from the sale of goods is recognised upon delivery of goods to customers. Donations and bequests are recognised when revenue is received. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets. Revenue from the rendering of a service is recognised upon the delivery of the service to the customers. All revenue is stated net of the amount of goods and services tax (GST).

(b) Inventories on Hand
Inventories are measured at the lower of cost and net realisable value. Inventories acquired at no cost or for nominal consideration are measured at the current replacement cost as at the date of acquisition.

(c) Property, Plant and Equipment
Each class of property, plant and equipment is carried at cost or fair value as indicated, less, where applicable, any accumulated depreciation and any impairment losses.

Freehold Property
Freehold land and buildings are shown at their fair value based on periodic valuations by external independent valuers, less subsequent depreciation for buildings.

In periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct directors’ valuations to ensure the carrying amount for the land and buildings is not materially different to the fair value.

Increases in the carrying amount arising on revaluation of land and buildings are recognised in other comprehensive income and accumulated in the revaluation surplus in equity. Revaluation decreases that offset previous increases of the same class of assets shall be recognised in other comprehensive income under the heading of revaluation surplus. All other decreases are recognised in profit or loss.
NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

Any accumulated depreciation at the date of the revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Freehold land and buildings that have been contributed at no cost or for nominal cost are valued and recognised at the fair value of the asset at the date it is acquired.

**Plant and Equipment**

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than the estimated recoverable amount, the carrying amount is written down immediately to the estimated recoverable amount and impairment losses are recognised either in profit or loss or as a revaluation decrease if the impairment losses relate to a revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present (refer to Note 1(e) for details of impairment).

Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in profit or loss in the financial period in which they are incurred.

Plant and equipment that have been contributed for no cost or for nominal cost are recognised at the fair value of the asset at the date it is acquired.

**Depreciation**

The depreciable amount of all fixed assets, including buildings and capitalised lease assets but excluding freehold land, is depreciated on a straight-line basis over the asset’s useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

- Land and Buildings: 2.5% - 20.0%
- Plant and Machinery: 5.0% - 40.0%

The assets’ residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are recognised in profit or loss in the period in which they arise. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus. The ownership of the asset but not the legal ownership are transferred to the entity, are classified as finance leases.

Finance leases are capitalised, recognising an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values.
NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(d) Leases

Leases of property, plant and equipment, where substantially all the risks and benefits incidental to the ownership of the asset but not the legal ownership are transferred to the entity, are classified as finance leases.

Finance leases are capitalised, recognising an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the entity will obtain ownership of the asset. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are recognised as expenses on a straight-line basis over the lease term.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(e) Impairment of Assets

At the end of each reporting period, the entity reviews the carrying value of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell it and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable value is recognised in profit or loss. Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash inflows and when the entity would, if deprived of the asset, replace its remaining future economic benefits, value in use is determined as the depreciated replacement cost of an asset.

Where the assets are not held primarily for their ability to generate net cash inflows - that is, they are specialised assets held for continuing use of their service capacity - the recoverable amounts are expected to be materially the same as the fair value.

Where it is not possible to estimate the recoverable amount of an asset, the entity estimates the recoverable amount of the cash-generating unit to which the class of assets belongs.

Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation reserve in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation reserve for that same class of asset.

(f) Intangible Assets Other than Goodwill

Water Rights and Licences

Water rights and licences held by the co-operative are classified as intangible assets. There is a sophisticated and well regulated market network which provides daily prices of the permanent licences and annual allocations. The co-operative revalues the water licences each half year in accordance with prevailing market prices at balance date.
GRIFFITH GOLF CLUB CO-OPERATIVE SOCIETY
ABN 93 423 499 875

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2019

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(g) Employee Benefits

*Short-term employee benefits*
Provision is made for the company’s obligation for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

*Other long-term employee provisions*
Provision is made for employees’ long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service.

The company’s obligations for long-term employee benefits are presented as non-current employee provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

(h) Cash and cash equivalents
Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(i) Accounts Receivable and Other Debtors
Accounts receivable and other debtors include amounts due from members as well as amounts receivable from customers for goods sold in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

(j) Goods and Services Tax
Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to suppliers.

(k) Income Tax
No provision for income tax has been raised as the entity is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

(l) Provisions
Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.
NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT)

(m) Comparative Figures
Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When an entity applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements, a statement of financial position as at the beginning of the earliest comparative period must be disclosed.

(n) Accounts Payable and Other Payables
Accounts payable and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the company during the reporting period which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

(o) Critical Accounting Estimates and Judgements
The directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

(a) Asset revaluations
The freehold land and buildings were independently valued on 30 June 2019 by John Carbone at MIA Valuers Pty Ltd. The valuation was based on the fair value less cost to sell. The critical assumptions adopted in determining the valuation included the location of the land and buildings, the current demand for land and buildings in the area and recent sales data for similar properties.
