

AUGUST 2020

GRIFFITH GOLF CLUB

Club Championships 2020

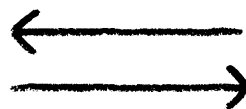

Our annual Club Championships were played over 2 weekends at the beginning of August, with the horrible weather conditions over the 2 weekends the championships for Mens was one of the best in playing numbers averaging around 100 for each round.

A big thank you to Dom and Doms Motors for their continued support in sponsorship for our club championships

Congratulations to Matthew Staines for taking out the Mens Club Championship, and Elizabeth Graham for her win in the Ladies Club Championships, well done to you both.

Congratulations to Lorraine Colpo for winning the Margaret James Memorial Best Handicap trophy.

Well done to Joshua Smith for taking out the Junior Scratch Winner

Presidents Report

While the Covid 19 pandemic has caused National panic disrupting the economy, seriously hurting many businesses and halting sports in general, golf has been a winner. It has been great to see good numbers competing on competition days during this period.

Although we were not spoiled with ideal weather for our Club Championships, we had the best numbers competing over the four days that we have not seen for a long while.

I thank Dom Gugleilmino for his continuing solid support of the Club Championships. Congratulations to Matthew Staines for his inspiring victory as the men's Club Champion. A special congratulations to Elizabeth Graham who has now won her 47th Ladies Club Championship. This is a record that will be difficult to emulate not just at our Club but at any Club in Australia.

The well attended belated AGM was held earlier this month with most of the previous Board Members being re-elected and I congratulate them on their election. John Dalton and Elizabeth Graham both stood down and I thank them for their contribution during their time on the Board. It is exciting to welcome two of our younger Club members to the Board in Ryan Harrison and Joshua Stapleton.

It is great to see these young guys put their hand up for this position and I am confident they will bring with them many new and interesting ideas to further steer the Club to a bright future.

Although the Club has been riding a wave during present Covid 19 lockdowns, I must stress to our members that this will not continue and the Club must continue to drive membership to strengthen our financial position.

The Board alone cannot achieve this without the support of all our members. I am asking all members not to be complacent by just coming out to have a game. We need all members to encourage a friend to become a member and be involved in the Club. If we all managed to secure just one friend as a member, this would have a huge bearing on the financial security of your Club.

Over the next few months, we will also be calling on members to offer some of their time to help in maintaining the Course. I hope you will consider supporting our small team.
